

ADM announces agreement to acquire D.C.A. Finance B.V.

ROLLE, May 22, 2023—ADM (NYSE: ADM), a global leader in human and animal nutrition, today announced that it has reached an agreement to acquire D.C.A. Finance B.V. (DCA), subject to required regulatory approvals.

DCA, located in Lelystad, the Netherlands, provides commodity derivative broking services to a broad range of agricultural customers in Europe.

Upon approval and completion, this acquisition will extend the geographic footprint of ADM Investor Services (ADMIS), to provide clearing, risk management and hedging solutions on regulated financial markets for customers across Europe.

"We are excited, together with DCA, to expand our commodity brokerage expertise and solutions, adding value and growth opportunities to our customer offering," said Stuart Jackson, Managing Director ADMIS International.

For more than 50 years, ADMIS has been a leader in the futures industry providing comprehensive brokerage services to institutional, commercial and retail clients. Headquartered in Chicago, Illinois, ADMIS is a registered Futures Commission Merchant supported by a network of affiliated brokers and sister companies across the United States and around the globe. ADMIS is a wholly owned subsidiary of ADM.

The transaction is expected to complete in the second half of 2023.

About ADM

ADM unlocks the power of nature to enrich the quality of life. We're a premier global human and animal nutrition company, delivering solutions today with an eye to the future. We're blazing new trails in health and well-being as our scientists develop groundbreaking products to support healthier living. We're a cutting-edge innovator leading the way to a new future of plant-based consumer and industrial solutions to replace petroleum-based products. We're an unmatched agricultural supply chain manager and processor, providing food security by connecting local needs with global capabilities. And we're a leader in sustainability, scaling across entire value chains to help decarbonize our industry and safeguard our planet. From the seed of the idea to the outcome of the solution, we give customers an edge in solving the nutritional and sustainability challenges of today and tomorrow. Learn more at www.adm.com.
